*The pay rate shown includes \$1.00/hour differential payment. The successful applicant may not bid off during the first six months assigned.

Part 213.7 of FRA Track Safety Standards states: "(b) Each track owner to which this part applies shall designate qualified persons to inspect track for defects. Each person shall have: (1) At least -- (i) 1 year of experience in railroad track inspection; or (ii) A combination of experience in track inspection and training from a course in track maintenance...FOREMEN ONLY.

Please furnish a clear and legible copy of License and Medical Card if making application for a CDL position. Must comply with maintenance requirements as listed on machine or in the operating manuals. Tentative schedules attached. Those desiring to bid on these position should make written application to the undersigned within the period specified above, making reference to these bulletin numbers. Also advise where working at the present and in what capacity. If on a machine at this time give type and number of machine.
